**ON THIS PROPHECY TOUR WE WILL FOCUS ON THE ESCHATOLOGY
OF MODERN ISRAEL CONCENTRATING
ON THE BOOKS OF DANIEL, EZEKIEL AND JEREMIAH**

We want to stand in solidarity with Israel!!

First, the tour is led by myself, I am a Hebrew speaker with an Israeli family. I have lived and ministered for years in Israel, and I have a post-graduate education in Judaism. Touring with a preacher who speaks the language and knows the land of culture is a big plus in itself. We will have Messianic Bible Studies on site: the Palm Sunday triumphal entry taught where it happened at Jerusalem's Eastern Gate: the "Olivet Discourse" (Matthew 24) on the Mount of Olives where Jesus gave it; Saul and David at the cave of Ein Gedi, the birth of the Gentile Church at its birthplace – Caesarea; the "Sermon on the Mount" on the Mount of Beatitudes, Elijah on Mount Carmel and many more. If you really want to learn Scripture in its original Jewish context, Israel is the best place and this is the best way!

Second, I will be taking you to a great many places of biblical and historical interest. Far more than on most tours. The extra days plus added admission charges means our tours will cost a bit more than some others, but only because we will be seeing more and learning more. We hope you will give feedback after that this was complete value for money.

Finally, I want you to see not only the Israel that tourists see, but I want you to meet and hear local Jewish believers and also workers supported by Moriel who are bringing the Good News home again. I want you to meet Russian Jewish immigrant believers. I want to show you where the Gospel not only begun but also where it is today. I want also to show you the Golan and West Bank, and the prophetic implications of "Land for Peace".

There will be Hebrew worship, fellowship and time for shopping. But this is mainly a study tour with a heavy pace. It is not a holiday tour or primarily a devotional pilgrimage, so it is not suitable for babies or small children. Additionally, some of the sites we will visit may not be easily accessible to persons who are badly handicapped or very elderly. A free will offering will be taken during the tour for the work of The Lord in Israel.

Not least of all we do not only want you to see Israel, but we want Israel to see you. When Middle East events take on a prophetic significance and the Nation Israel is increasingly pressured, unjustly bullied and misrepresented by media bias and when many so called Christians turn their backs on the persecuted Christian's in the Moslem world but instead denounce Israel, it is important that the people of Israel see the difference between true Christians and false ones. We want the Jewish people to know that there are Bible believing Christians who stand with Israel who recognise its place in Prophecy and who do this not despite the fact that they are Christians but precisely because they are Christians. On the 2004 Tour we received 2 Certificates of appreciation from Israel for standing with them at a very difficult time, Israel has recognised us, will we continue to recognise them!!

You have never seen Israel like this before. Come see the Land of Emmanuel through Hebrew eyes – it makes all the difference in the world!!

Shalom! Join us for the opportunities of a lifetime!!
